THE CANVASSERS

LIM KER CHWING

Ms. KC Lim is from the architecture and interior industry, also currently a lecturer in the School of Architecture and Built Environment. As a designer and lecturer, graphical visuals became the key to communication for her. Understanding the theory of how to create effective graphical presentations that catch the attention and capture the interest of the audience is part of her daily explorations. Of all the presentation tools, she could share her exploration with Canva as one of the easiest and fastest tools to prepare interesting graphical visuals.

TAN HAN LEONG

Brandon aspired to take up challenges as opportunities in seeking career advancement and satisfaction. Brandon is also eager to trigger new views and perspectives. With more than 8 years of teaching experience in the field of Interior Architecture and currently as a lecturer in the School of Architecture and Built Environment, UCSI University, he has been constantly exploring different graphical approaches for his lesson plans and lectures. Recently, he discovered Canva and has been falling in love with Canva ever since! He will share some tips and tricks from his experience of using Canva in the workshop!
