Speaker

Tan Han Leong

With more than 8 years of teaching experience in the field of Interior Architecture and currently as a lecturer in the School of Architecture and Built Environment, UCSI University, he has been constantly exploring different graphical approaches for his lesson plans and lectures. Recently, he discovered Canva and has been falling in love with Canva ever since!

Speaker

Cheah Ee Von

Cheah Ee Von is currently a lecturer at UCSI University teaching architecture. Prior to teaching, she has worked on high-rise residential and heritage conservation projects in Kuala Lumpur and Penang. Visual presentations are her main tools in both industry practice and teaching. She has been using Canva for her daily teaching including producing a series of student book publication recently with Brandon.
