

# Diversity Equity & Inclusion Skills

18 April 2024 | 9 AM - 5 PM |

Venue: Anthurium, Level 11, Le Quadri Hotel KL

## Overview

This 1-day programme will help participants to understand the importance of Diversity, Equity & Inclusion in the workplace and its impact in their personal and professional lives.

The rich content and robust discussions during the programme will provide the staff with an experiential perspective that shifts avoidance to acceptance, and celebration of diversity and inclusion, appreciating the business case for it, and the long-term benefits for the organization.

The workplace today is global and comprises a range of Diversity that needs to be understood so that this can be leveraged to produce outstanding performance. It is a workplace where we are beginning to see an increased number of women in leadership positions, multi-generational and multi-cultural workforce.

**Andal Krishnan**  
Master Trainer

## Program Objectives

- Understand the Business Case for Diversity
- Recognize how we place self-imposed limits on the way we think and react
- Become more aware of our own cultural viewpoints and stereotypes
- Examine assumptions and how these impact Inclusion
- Discover the impact of Micro-inequities

## Delivery Mode

- Group Activities, Assignments and Presentations
- Relevant Case Studies
- Microsoft Power Point (PPT) Presentations
- Role Plays
- Self-evaluation and classroom assessments
