

HAPPY
Deepawali
FESTIVAL OF LIGHTS

In celebration of light rather than darkness, knowledge rather than ignorance and compassion rather than cruelty, let us emerge victorious in all battles that we face including the pandemic.

Thus, as we go through the difficult times of the COVID-19 together, let us not lose heart and hope. As one UCSI family, we should continue to encourage one another and stay safe. May we also be enlightened and empowered to maintain a life of tolerance and humility towards one another as we work and live together. May our goodness and light shine as we strive to provide the kind of education that exudes excellence and integrity, no matter the circumstances.

Have a safe and peaceful celebration.
